

Lyrasis Learning Library and Live Webinar Login and Registration Instructions

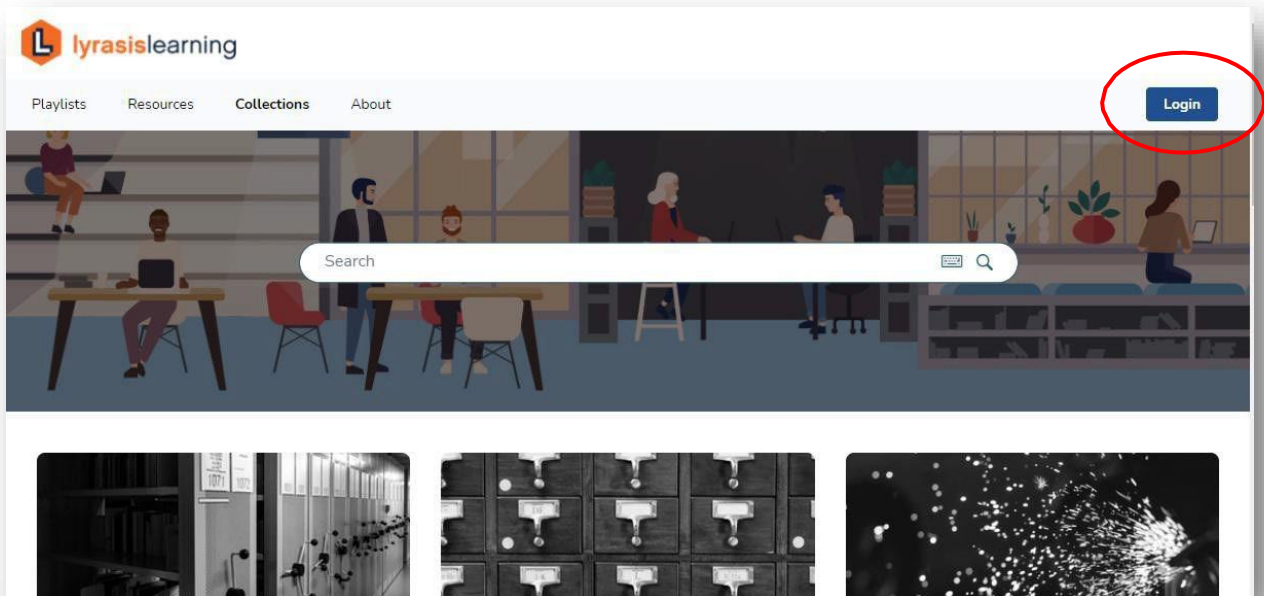

Your institution's subscription to Lyrasis Learning provides you with unlimited access to live, online classes and our Learning Library of recorded sessions.

Learning Library Login

If your institution provided its IP address to Lyrasis, and you are accessing the Learning Library from your institution, you will be authenticated through your IP address, and do not need to enter a username or password to login. If your institution has not provided Lyrasis with its IP address/range, or you are accessing from another location, follow the instructions below.

Each person at your institution will need to register for an individual login for the Learning Library. There is no limit on the number of users that can be registered from your institution.

1. Go to <https://Lyrasis.aviaryplatform.com/>
2. Click "Login" in upper right corner of screen.

3. If you haven't created an account yet, enter your information including name, email, and a password that you create, then click register. **Use your institutional email for this step.** Access to the Learning Library is controlled by user email domain, so to access content your email address needs to be the one associated with your institution.

[Aviary](#) is the platform for the Learning Library. If you already have an Aviary account, you can use it to log in to the Learning Library.

Join now ×

Sign up for Aviary! Experience a new way of accessing, browsing and displaying AV collections as a user or member of an organization. You must register first as an individual to create an organization account.

4. You will be prompted to check your email account in order to confirm your email address. Click on the link in the email and sign in using the credentials you just created.

5. Access content in the Learning Library

The screenshot displays the lyrislearning website interface. At the top left is the lyrislearning logo. A navigation menu includes 'Playlists', 'Resources', 'Collections', and 'About'. A 'Login' button is located in the top right corner. Below the navigation is a large illustration of a library interior with people working at tables. A search bar is overlaid on this illustration. Below the illustration is a grid of collection cards. The first row contains three cards: 'ArchivesSpace' with a thumbnail of a server rack, 'Cataloging and Metadata' with a thumbnail of a card catalog, and 'Catalyst Fund Series' with a thumbnail of a starburst pattern. Each card has a search bar labeled 'Search Collection »' and an information icon. A fourth card is partially visible in the second row on the left.

Registering for Live Classes

1. Visit [MyLyrasis](#) and click the View link for the class you wish to attend.
